**PRIME URBAN LOGISTICS ESTATE
NEW BUILD INDUSTRIAL / WAREHOUSE UNITS**
33,940 - 64,375 SQ FT

An architectural rendering of a modern industrial building with a long, low profile, large glass windows, and a dark roof. The building is surrounded by landscaped grounds with trees, flower beds, and a paved road. Several cars and pedestrians are visible in the scene.

SET WITHIN A LEADING SOUTH EAST BUSINESS PARK

The Causeway Central Industrial scheme will be perfectly positioned for any business. Strategically located within Causeway Park, an established mixed-use business park, next to the M25 J12. The scheme is equidistant to Staines-upon-Thames and Egham, with London Heathrow a short six minute drive.

All of the units will benefit from secure yards with car parking and loading doors, fully fitted offices, electric vehicle charge points and targeting EPC A+ and BREEAM Excellent.

MEASURE AND REPORT YOUR ENERGY USAGE

Causeway Central will facilitate usage tracking throughout the building enabling your business to control costs, improve environmental responsibility and awareness, optimise production and assist with compliance with government regulations.

CARBON REDUCTION TARGETS

Causeway Central is targeting an operational net zero carbon development.

This will allow your business to enhance its brand reputation by occupying a building aligned with your carbon reduction targets. Causeway Central is targeting a BREEAM rating of Excellent, which will put it in the top 10% of sustainable units.

REDUCE OPERATIONAL COSTS AND IMPROVE SUSTAINABILITY CREDENTIALS

Targeting BREEAM "Outstanding"

Targeting EPC A+

Photovoltaic roof panels

Office LED lighting with daylight sensors and presence detection control to reduce costs

Thermal insulation and airtightness exceed standards, ensuring lower operational costs.

Net Zero CO₂ emissions for regulated use (EPC A+)

Surface water drainage that recycles water, promoting reuse and reducing costs

12 EV charging points per unit (ducting for additional 12) promoting more sustainable travel

VRF system with air source heat pumps, 75% more efficient than conventional HVAC

Guarantees and warranties which will assist with repair costs over the period of the lease

IMPROVING STAFF WELL-BEING AND RETENTION

9% warehouse rooflights boosts natural light, increasing staff productivity by 25%

Natural light to offices, creates a better work environment

Landscaping and green spaces for staff enjoyment

Solar gain and soundproofed windows ensure a positive working environment

Shower facilities to encourage cycling to work and green travel

CONNECTIONS START HERE

Causeway Central is prominently located on Lovett Road within the Causeway Park mixed use estate. The property is situated just off The Causeway (A308), which connects Staines Town Centre and the M25 (Junction 13). The road network provides access to the M4, M3, A3 and the wider national motorway network.

Trains from Staines Railway Station to Central London take approximately 35 minutes.

All 5 terminals at London Heathrow Airport are only 13 minutes drive, making this a key location for London, UK and International business connections.
